# Street Food meets Street Art

Wahaca is bringing its award winning Mexican street food to Bristol in a new restaurant opening on **Queen's Road** on **30th July**, serving up Mexican street food in a space inspired by the local area.

Visit **[YouTube.com/WahacaTV](https://www.youtube.com/WahacaTV)** to see how local artist Will Barras has brought the interior to life in his Lost City mural depicting Bristol's close link with its natural surroundings.
